February 2018

News from the President...Bonnie Eichholtz

Hi Everyone,

A "thank you" to Jessica Spicer for the fun and neat "make n 'take" she set up for us at our January meeting. We appreciate the efforts that go into creating a make n' take. We now have an additional piece for our displays.

If you plan to attend our annual picnic next month, March 18th, please be advised sign-up sheets, for both the attendance and dishes you plan to bring, will be on the table at our February 25th meeting.

I can't say enough about our guest for the February meeting. For any of you who have seen Miguel, from the Christmas Palace, demonstrate his talents, you know what I'm talking about when I say you are in for a treat. Remember, the display he creates, with three buildings and accessories, will go home with the person holding the winning door prize ticket.

Look forward to seeing all of you at our upcoming meeting,

Bonnie Eichholtz

HAPPY VALENTINE'S DAY

Valentine's Trivia

The practice of making decorated and themed cards for Valentine's Day became relatively widespread in England and other parts of Europe during the 1800s; these cards were handmade and typically contained images of flowers and cherubs along with embellishments such as lace and ribbons.
